Not sure where your nearest centre is located?

If you are in any doubt about where services are accessible – for example if there is not a permanent building near you – or if you have any questions regarding services on offer, you can contact one of the four central numbers below for swift and friendly information. Advice is also available on employment issues, benefits, entitlements and how to access free childcare funding. Don't worry if you aren't sure which area of the county you are in – all the centre staff on hand will be able to help you – wherever you are.

HAVE YOU DOWNLOADED MOD ICE THE JCCC APP?

Defence Business Services

The Joint Casualty and Compassionate Centre (JCCC) has launched the MOD ICE app and two briefing films to help you and your families access their services.

Once downloaded to a mobile phone or device the MOD ICE app provides a very simplistic 'click and call' facility that will direct the user to the most appropriate organisation if they are faced with a family emergency.

Ask your service person to download the MOD ICE app from the Defence Gateway app store onto your phone.

The two short films explain more about JCCC's services and key actions you should take to update JPP.

To watch the films, scan the code or search for "JCCC" on www.gov.uk
