## CEO's Report

30 September 2021

The report provides information for the Board on the following items:

- amendment to the funding agreement with Swindon Borough Council concerning studies to support the re-development of the Honda site;

- reporting the SWLEP's full accounts for 2020-21 and the linked annual report;

- update on the national LEP review and associated events;

- progress on delivering the SWLEP Annual Conference and Expo 2021; and

- arrangements for the development of the SWLEP Plan for Growth strategy.

## **Recommendations**

The Swindon & Wiltshire Local Enterprise Partnership Board is asked to:

endorse the change to the funding agreement with Swindon Borough Council, reducing the payment to £200,000 for a transport study into the use of the Honda site;

authorise the appointment of Monahans MHA as auditors for the SWLEP's accounts for 2021-22; and

note the information included in the other items in the report.
