

Swindon and Wiltshire Enterprise Adviser Network

Network of senior business volunteers who work directly with 58 schools/colleges to build practical careers plans & open the door to the world of work to young people. Businesses include:

Swindon and Wiltshire Careers Hub

Bridging the gap between the workplace and education.

Supporting young people to experience the modern world of work and find their place in it.

Influencing educational institutions to find practical solutions to addressing skills gaps.

Providing a consistent employer offer to education.

Changing the Future for Young People

4 million employer encounters each and every year.

105,000+ per LEP area

1 million workplace encounters each and every year.

26,000+ per LEP area

1 in 25 workplace encounters a year for every 25 employers.

1 in 7 one employer encounter for every 7 employees.

Benefits for your business & your employees

Help young people prepare for their future working lives.

Support the talent pool in your area.

Connect directly with local and national influencers, leading organisations, funding partners and careers programme providers.

Get expert support to take your own outreach programmes into more schools and colleges.

Your staff can develop:

- strategic & business planning skills.
- build presentation, communication & leadership skills.
- builds understanding of the environment your future talent is coming from & the challenges they face.
