INTERNATIONAL CONFERENCE AND B2B MATCHMAKING EVENT

The Enterprise Europe Network in conjunction with Innovate UK invites you to attend EUREKA Innovation Days 2018 - "The power of collaboration" taking place in Helsinki 22nd to 24th May 2018.

EUREKA Innovation Days is an international event which offers you:

- New insights into business and technology development within Smart Industries
- Essential information, advice and international partners to help you get involved in future Eurostars projects
- The opportunity to hear from forward-looking keynotes as well as best practice from leading businesses
- Opportunities for networking and developing collaborations with organisations from across the globe

For further information and registration to the conference please visit:
www.eurekanetwork.org/innovation-days-2018

EUROSTARS

- The UK has already committed £5 million in 2018 to support UK SMEs in transnational and commercially-focused Eurostars projects
- Eurostars is aimed at supporting both development and commercialisation of new innovative products, services and processes
- Eurostars helps technology-orientated SMEs to realise the many benefits of working beyond national borders
- Participation in Eurostars can therefore open up new global markets!

AN EXCLUSIVE FUNDING OFFER TO UK SMEs

- Travel to Helsinki
- Hotel accommodation
- Registration to the conference (participation fee normally 160 € plus VAT)

HOW TO APPLY FOR FUNDING

To request an International Travel Allowance Application Form, please contact the Enterprise Europe Network team on email:
