

# Wiltshire Council

- Economic Recovery

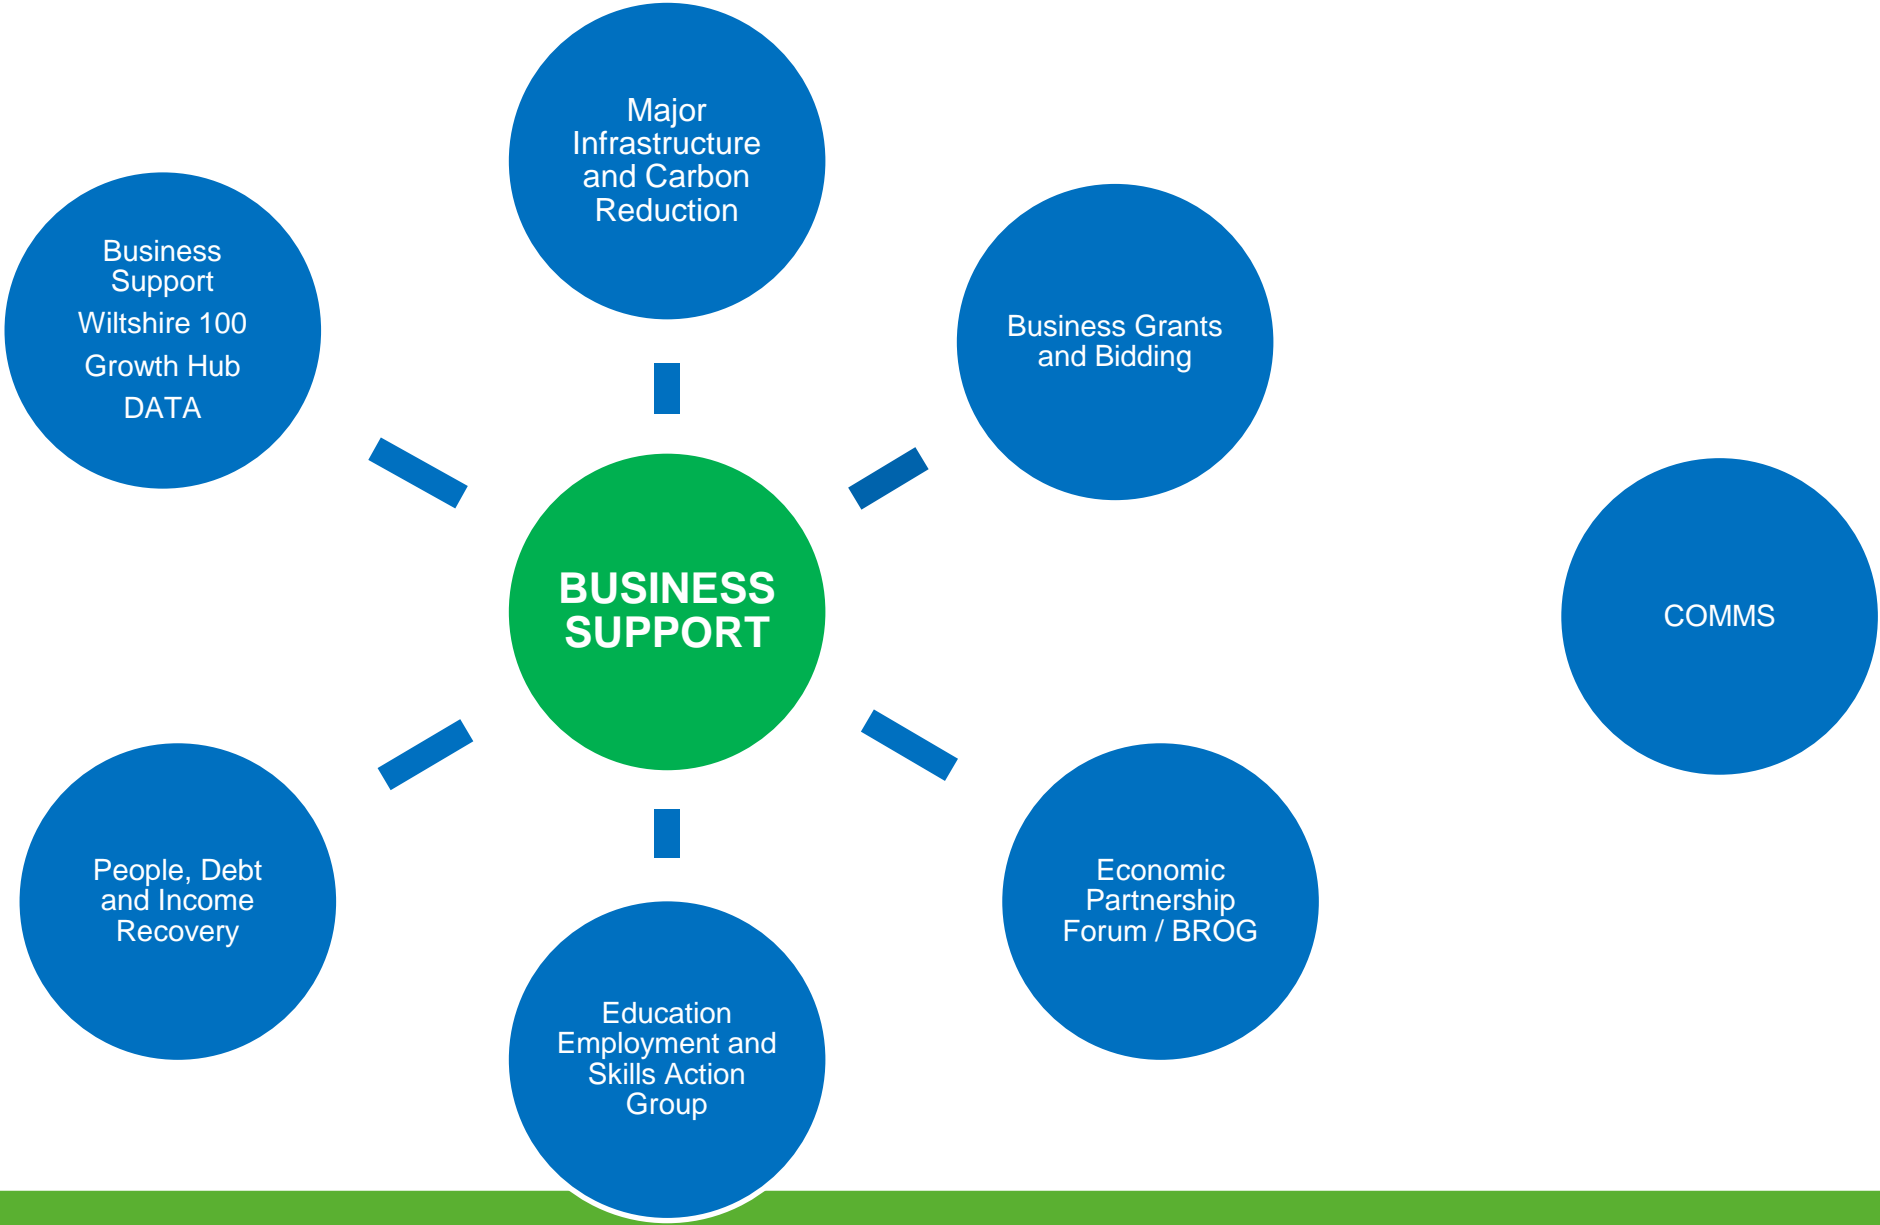

# Overarching Aim

- Objective: To evaluate and understand the impact on Wiltshire's economy and environment, providing support to secure business recovery, revitalise town centres, reduce carbon emissions and support those impacted.
- Output: Covid-19 Wiltshire Economic Recovery Plan
  - Short & medium term Covid-19 recovery
  - Long term (return to a new BAU)
- Issues
  - Full extent of impact on businesses & individuals not yet known
  - Utilising existing networks/boards where possible
  - Reporting by exception
  - Work to be undertaken outside formal theme group meetings
  - Evolution

# Governance Structure

# Structure

# Economic partnership group ToR for review

- Original objective: To mitigate the impact on the local economy in response to Covid 19
- Priorities:
  - Impact Monitoring
  - Supporting Businesses and Partners
  - Finance
  - Workforce Support
  - Communications
  - Long Term Recovery
- Outcome: A return to business as usual with normal levels of business activity. To minimise any longer term impact on individual businesses and the wider economy.

## Next Steps – Aug 2020

- ✓ Transition ongoing business support to SWLEP Growth Hub from WC Contact Centre
- Data alignment with Growth Hub
- ✓ Merge partnership Forum with BROG
- ✓ Consider further regular group meetings
- Actions focused register
- Produce a Covid-19 Wiltshire Economic Recovery Plan
- Agree frequency of BROG meetings
