Impact

Post 16 provider has offered all teaching staff the opportunity to have a day off timetable to spend time in an industry placement.

SEC supported a Career Leader to prepare a business case to increase the school's resource for Personal Guidance interviews. This was successful and extra resource has been allocated.

An EA supported a Career Leader to develop a fictitious company 'Going Places' and have provided a range of job adverts for students to choose from.

Selwood Housing

They own and manage almost 7,000 homes for rent and shared ownership in the south west and are growing. Their ambition is to deliver 1,000 more affordable homes by 2025, to help tackle the housing crisis. As a charity, their surplus is reinvested into new homes, our existing properties and into our communities. Selwood Housing have been a vital part of our communities for over 30 years and know the difference a stable home can make. Affordable, safe, secure homes give people a foundation on which to build their lives. The range of homes they provide, from rented to shared ownership, sheltered accommodation and care homes means they help many local people. They believe that being truly local makes us different. Selwood Housing team is made up of 300 local people who really get to know their customers and are passionate about helping them. By watching the interview with some of the team below, you'll find out about what each department does, and why they love their jobs so much.
