Community of Practice Lead: Leads support the elevation of practice across the Careers Hub.

1. Act as beacons of good practice

This includes:

- Meeting most or all of the Gatsby Benchmarks
- Having a clearly articulated strategic careers plan and supporting progressive careers programme, which support school/college priorities and positive student outcomes
- Having engaged with the funded Careers Leader Training

2. Support the elevation of practice within Careers Hubs

This includes:

- Working with Careers Hub Leads to understand needs analysis and strategy to elevate practice across the Careers Hub
- Working with schools and colleges from across the Hub, as determined by need, through coaching and development to elevate practice across the Careers Hub
- Considering how to engage and mobilise ambassadors to elevate practice across schools/colleges in the Careers Hub

Funding

A paid for role by reimbursement through the Central Hub Fund.

Five days is recommended as a typical deployment model

Funding at this level is usually between £200-£300 per day depending on level of expertise, therefore approximately £1500 for five days' worth of time.

Recommendation: initially the 3 Lead providers are invited to become Community of Practice Leads for Swindon and Wiltshire.
