SWINDON
BOROUGH COUNCIL

Funding summary

People and Skills	Local Business	Community & Place.
£811,091	Nil	£1,204,000

All services

Project Name & Provider	Apprenticeships Swindon Borough Council
Project Value	£260,000
Delivery period	1 st March 2023 to 31 March 2025
Description	Recruitment of SBC apprentices with a broad foundation of resident-focused skills development. Efforts is being invested in working closely with Children's Services to help maximise the promotion of these opportunities to young people from Swindon who have been in our care.
Funding Objective	E34: Courses including basic, life & career skills
Update	Programme currently being finalised ready for launch in Autumn 2023.

Project Name & Provider	Inspire Swindon Community First
Project Value	£286,200
Delivery period	1 st March 2023 to 31 March 2025
Description	The programme supports young people aged 15-25 across Swindon who are facing significant barriers to education, employment or training. It helps individuals to address the barriers and challenges they are facing, developing their skills, assess education and/or move towards the world of work.
Funding Objective	E33: Employment support for economically inactive people; E34: Courses including basic, life & career skills
Update	3 EET Navigators are currently in place and engaging with 18 young people to support them on their journey towards EET (Capacity is c.25). Community First will be running some information sessions for professionals at the end of September to share what is on offer and how to make referrals

All services
