

# LSIP Governance Working Group to set the framework

**Item 5.0**

# LSIP Governance

*“The Business West intention as part of Stage 2 is to utilise external governance via the LEP Skills & Talent Subgroup to work out how to best translate this [LSIP] into measurable improvement in understanding regional provision and suitability.”*

- Ensuring wider skills planning processes.
- Ensuring maximum replicability and alignment of region-wide activities.
- Ensuring ongoing alignment within regional skills planning and procurement.
- Ensuring maximum alignment with and buy-in from regional partners.
- Ensuring the LSIP provides input and alignment into long term strategic direction.
- Ensuring ongoing collaborative opportunities to leverage sectoral expertise.
- Ensuring the beneficial establishment of working groups towards both the LSIP and Subgroups core functions.
